

Contribute to Enerjisa Capital Increase 15.06.2010

At our board of directors meeting held on June 15th 2010, it has been resolved to contribute to the capital increase of Enerjisa Enerji Üretim A.Ş. via the issuance of shares with premium equivalent of TL 284.000.000 to TL 1.589.000.000 at the rate of our shareholding of 49.9907%. The cash injection will be done as EUR 142.000.000. It has also been resolved that if other partners decide not to use their premium share rights our company will take necessary steps to use these rights to contribute to the capital increase.
